

Jacksonville Area Chapter #77

4Q 2017 Jacksonville ACFE Newsletter

Chapter updates and ways for you to get plugged in as we move into 2018:

1. Join us on December 13th for an hour of CPE with the subject Auditing Social Media, a buffet lunch and an ugly Christmas sweater (or T-shirt depending on the weather!!!) contest! Tickets available on Eventbrite.
2. On December 16th at 7PM, ACFE members and 2018 prospective Board members are invited to join us for a Membership & Networking Hour to discuss 2018 chapter goals and positions available at Whitey's Fish Camp. The chapter will purchase non-alcoholic drinks and appetizers to share for those that RSVP - Note: meals, alcoholic drinks are to be paid by the members if you so choose.
There is a pretty cool band playing afterwards so feel free to stick around for additional networking!
You are encouraged to join even if you are unable to commit to the board at this time as we will be brainstorming ideas and setting chapter goals for 2018.
Email: President@JacksonvilleACFE.org for additional information.
3. End of the year survey will be sent shortly! Let us know what you are interested in learning about and networking opportunities you are interested in for 2018.
4. The Jacksonville ACFE needs YOU! Chapter Elections will be held beginning Dec 15th via Survey Monkey! Thank you to those of you who stepped up and volunteered already. I am looking for a couple of additional volunteers for the 2018 Board. Email: President@JacksonvilleACFE.org for additional information.
5. There are a few members interested in taking the CFE exam next year. If you are interested in starting a study group in early 2018 email training@jacksonvilleacfe.org. We are looking for a few teachers as well.
6. We still need quite a few speakers for 2018! If you are interested please email your bio and materials plus your availability for either our lunch or all day event in August to training@jacksonvilleacfe.org.
7. Join our social media conversations on [LinkedIn](#) and [Facebook](#).
